Testimonials

"For us, the biggest advantage that KidsFox offers is that it enables communication with families who don't speak German. It is an enormous relief – for us as well as for them."

S. Horstmann, daycare centre director in Löningen, Germany

Get started now with a free 30-day trial

KidsFox is easy to use, quick to set up and accessible for all daycare centre types. Licence fees start at **350 €** per year and only **1 €** per child per year.
